DEPUTY SECRETARY  
COMMUNICATIONS  
CENTRAL CENTER

May 12, 1999

Bill Clinton  
President of the United States  
1600 Pennsylvania Avenue  
Washington, D.C.

Dear Mr. President,

I am deeply concerned about the degradation of American food through the process of food irradiation. A country's food supply is the most significant barometer of it's future survival. For my health, the welfare of American children, and the future of the United States of America, please present a program to Congress for legislation to ban food irradiation in the United States.

Sincerely yours,

Carol Hahn  
1700 17<sup>th</sup> Avenue, #213  
Seattle, Washington 98122-2701
